C. W. Hodgson Sells Attractive Lakeshore Property

We are informed that Mr. C. W. Hodgson has sold a large block of his Crooked Lake property to a Peterboro contracting firm.

The purchasers of this valuable lakeshore property intend to erect some 300 cottages on this lake within the next three years. It is expected that fifty cottages will be constructed this spring. This should be welcome news to the people of Dysart as it will mean a lot more taxes will be coming in and the building of these cottages will mean many more working hours for men in this area.

A good many citizens feel that much valuable lakeshore property is being held for speculative purposes to the detriment of this area and that were this property released thousands of cottages would be erected in this section. It is just a chance that the good example set by Mr. Hodgson in opening up this lakeshore property may be followed by others, thus giving the green light to progress in the municipality of Dysart.

Haliburton News Notes

We would like to announce that the Haliburton Figure Skating Club will hold their first practice session at the Haliburton Community Arena this coming Saturday from 1:30 p.m. to 3:30 p.m. Anyone wishing to figure skate this winter are asked to be present when the skating instructor Mr. Price will be on hand to get everyone into the swing of things. Season tickets for the Skating Club may be purchased from Mrs. Norm Roberts at Haliburton.

Recreation Director Herb Baker has asked us to announce that the minor hockey program starts this Saturday morning at 10 o'clock in the Haliburton Community Arena. All those interested in playing minor hockey are asked to be in attendance. Please bring along your forms.

If you have old Christmas cards around the house they can be put to good use. These cards are now being sent to the Leper colonies. If you have some of these cards then contact Mr. Schofield or Mrs. George Keefer both of Haliburton.

Carol Service On Christmas Eve

The Carol Service at St. Paul's church on Christmas

Eve was a musical treat, and the church was filled. As well as the familiar dearly loved carols and Christmas hymns, Christmas songs from other countries were given, which while new to all, were very lovely.

Individual parts of the singing were taken by Mrs. Grace Coburn, Mr. and Mrs. Jack Jackson and Miss Karen McCarey.

Pansies On Christmas Day

On Christmas day Miss Eleanor Hewitt went for a stroll around her garden, and there she was greeted by three brave pansy faces. They looked a little chilly in the snow so she brought them in for a Christmas bouquet on the gaily decorated dinner table.

This may sound like a tall tale, but we actually saw the pansies. The probability now is that very soon soon the tourists will be flocking up here for the warm winter season. But pity the pansies abroad on Saturday night!

Happy New Year

When the bells ring out at the stroke of midnight, may they ring in one of the best years of your life . . . with good health and abiding happiness for you and your family . . . with success for your highest ambitions and fulfillment of your most cherished desires.

New Year's Resolution

Said the blue jay to the children
It is time for you and me
To make New Year's resolutions
As we flit from tree to tree.
Let's not fuss till crumbs are given
On our little family tray
Some kind soul will surely fill it
So why hasten the delay.
Calm our raucous voices clatter
Let's be still this New Year's morn
So the people in the cottage
Will not think us so forlorn.
But the children all too eager
Greedy for the plate of crumbs
Shouted wildly from the tree top
Hurry mother here she comes
Fly then quickly to the banquet
Cries the blue jay frantically
Soon forgot are resolutions
Birds have human traits you see.

—Mavis Noice.

Bracebridge Wins Pre-Season Series

Minden—In a pre-season hockey series, four of the O.H.A. teams in the group played a little tournament of their own which was won by Bracebridge, Minden coming second.

The games that Minden took part in were as follows:

1st game with Bracebridge and Bracebridge won.

2nd game with MacTier, won by Minden.

3rd game with Gravehurst won by Minden.

4th game, play or between Minden and Bracebridge — Bracebridge winning the series.

Boy Scouts' Camp

Mr. Lance Easton was host and leader to a party of about twenty Boy Scouts on a two day camping trip at Mr. Chas. Brandon's summer cottage at Peach Lake this week. This camping party will give the scouts their first class badge.

Car Overturns On Minden Haliburton Highway

Mr. and Mrs. Herb Cox of Minden were very fortunate to escape with only a bad shaking up and minor lacerations when the car in which they were riding overturned on the Minden - Haliburton road. Passing another car, the bumpers locked momentarily causing both cars to swerve and pile into the ditch. The other car remained upright but the Cox car upset and it was a miracle that the occupants were not seriously hurt as the top was badly smashed in and the windshield broken.

St. Paul's Church To Lose Rector

The congregation of St. Paul's Church, Minden, was very sorry to learn at the Sunday morning service from their Rector, Rev. E. A. Irwin, that he had received a call from Holy Trinity church Oshawa, which he felt obligated to accept, and he therefore would be leaving here the end of January for his new parish. Mr. Irwin has given of his time and talents most generously to St. Paul's and his departure will be a sad loss to all. The church in every way has greatly benefited by his work here spiritually and materially. The new parish hall, rectory and tower were erected since he became rector.

Mrs. Irwin and their talented family will also leave a gap which will be difficult to fill.

Skiers Please Note

The ski tow owned by Mr. W. A. Kaye of Lagakelo, Donald was set up on Allan Smith's hill on Wednesday and we are informed that it is ready for use.

This ski tow is a portable one and can be moved anywhere. So if there is not sufficient snow in one location it can be moved to where there is more snow.

So skiers if you wish to enjoy an afternoon of skiing you may do so by going out to Smith's hill. The price for using the tow is adults 75c and children 50c.

CARNARVON

Mr. and Mrs. Cliff Skelding and children of Montreal and Mr. and Mrs. Phil Renouf and daughter of Toronto spent the Christmas holidays with Mr. and Mrs. Arch. McKay.

Mr. and Mrs. Walter Harper and children of Niagara Falls spent a few days with Mr. and Mrs. Clayton Rogers.

Mr. and Mrs. Tom Rogers and children of Sarnia spent the holidays with Mr. and Mrs. Alex Hewitt and Mr. and Mrs. Clayton Rogers.

No. 1 Truck was charged at, \$1.50 per hour to light work, such as taking men to work; \$2.40 per hour for snowplowing, graveling, dragging, etc.; \$3.00 per hour when working for other organizations such as the Dysart Township School Board or Ontario Department of Highways.

The other trucks operated on similar types of work at the rates indicated above. At these rates it is shown that Truck No. 1 earned \$8.90 more than it cost to operate it, while Truck No. 2 at its rates came within \$2.07 of meeting its operating cost and similarly with the others. It may seem impossible that Truck No. 3 could operate at \$1.05 per hour for 138 hours. This does not include the drivers wages since the truck was driven during that time by the Road Superintendent.

The Man Of The Year

Last week the writer was privileged to be the guest at a meeting of a service club at which time a citizen was honored for being the "man of the year" in his Community. It was a very happy occasion, the recipient being totally unaware that anything of the kind was about to happen. And what had this man done to merit this honour? Well, nothing more than giving of his talents, his time, his inspiration, his leadership and his good-will to the Community in which he resides.

It is indeed a fortunate Community that has such a public spirited man or woman and the recognizing of his or her efforts is something that unfortunately is seldom done. We were very happy to be present when this man's untiring efforts in the service of his fellow man was brought into the limelight.

All too often, when men of good will give unstintingly of their time and talents for the public good, instead of receiving a word of appreciation or thanks, they are the recipients of criticism and unkind remarks. Fortunately, the people who indulge in this sort of fault-finding are few in number and their conduct and interpretations should receive no attention. They are more to be pitied for they have no good will in their hearts.

It is a splendid thing that this service club has done and it is something that we think should be copied by every community in the County each year.

A New Year's Resolution

The Echo hereby promises its readers that during 1953 it will be solidly behind, and will in every way support and aid, to the best of its ability, every worthwhile project in the County and it will oppose just as staunchly anything that in its opinion is detrimental to the well-being of the citizens.

It will endeavor to bring you the news of the County and portray the social, sporting, church, political and other activities and in its editorials it will be independent, having in view the building of a greater and more prosperous Highlands of Haliburton.

There's A Couple In Every Community

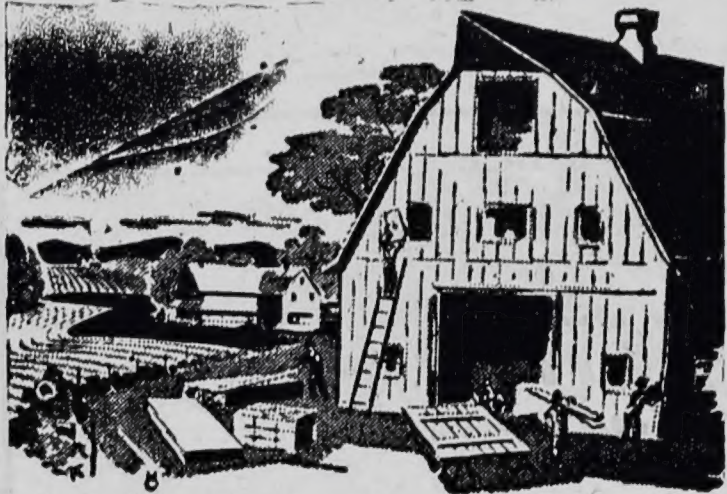

From time to time Haliburton County comes in for some very poor advertising by press and radio, and what makes it worse we more or less deserve it.

Most of this adverse publicity arises from one source, namely: brawls at dances. Now dances provide much enjoyment for our young people but such incidents as this latest episode at Gooderham gives dancing a hard name.

The great majority of people can go to a dance and conduct themselves in a manner comparable to present day civilization. However we are afflicted with that type of individual who feels that before attending a dance he must get tanked up, with the result that he proceeds to make trouble from which a brawl results.

In the last two brawls of this nature the police officer who tried to quell the disturbance has been resisted and suffered injuries while performing his duties. At this point we would like to point out that a number of citizens of Gooderham stepped in to help the officer to restore order and this fact reveals that for the most part Gooderham is a community of respectable law-abiding citizens.

We believe that we are giving voice to the rising tide of public indignation of citizens of this fair county at the leniency shown these hoodlums in the past. A slap in the wrist in the shape of a \$15.00 fine is not sufficient punishment for an offence of this nature.

GELERT

On Christmas night a large gathering of friends and neighbors met in the Community Hall, Gelert, to honor Bryan Sedgwick, who has joined the RCAF and will be leaving on Jan. 1st for training in London.

Joe Peacock and Bradley Hamilton entertained with guitar music and singing the first part of the evening. Bryan was then called to the front and Joe Peacock read the following address.

Dear Bryan:

We are gathered here tonight to wish you well in your new adventure, and to let you know that now and always you have the good wishes of your many friends in the Gelert, Minden, Lochlin districts.

We would like you to accept this billfold and its contents as a reminder of the many pleasant associations we had together in bygone years.

And now we wish you luck and happy landings.

Signed on behalf of your many friends.

Then the surprise of the evening took place when Miss Mae Burriss took over and presented Bryan with the following poem which she had composed for the occasion. It was sung to the tune of Jingle Bells and everyone present joined in.

Jingle Bells! Jingle Bells!
Ring you on your way
May you be an airman brave
To bring world peace to stay.
Work with zest, your very best

The good Canadian way
Oh, then you'll make your
Snowdon friends
Proud from this Christmas Day.

The remainder of the evening was spent dancing.

On Dec. 20th a party was held at the home of Mr. and Mrs. Art. Mather, Wilberforce and Charles Catto presented Bryan with an electric razor on behalf of the young people of Wilberforce. The evening was spent singing songs and Christmas Carols and dancing.

Bryan would like to say thank you to all his friends in Wilberforce and Gelert districts who have made his going away such a memorable affair.

H. Baker Pulls Hat Trick As Huskies Win Opener

The Haliburton Huskies got off on the right foot at the Haliburton Community Arena on Saturday night last when they nosed out the Cambray hockey club by the score of 7 to 6. It was the Huskies first game and started them well away in the Tri County league standings.

Jack Austin's men were at full strength for the contest and played with three full lines and four defencemen. It was good to see the locals with four defencemen out there instead of trying to play one or two men for sixty minutes.

The crowd which was well over 300 came out with the temperature nearly 20 below zero to see their Huskies in action. The Haliburton boys with only two practices under their belts seemed to be in great condition and if they have the same staying power at the end of the season they should be the team to beat.

Herb Baker pulled the hat trick on Saturday night when he banged in three goals to help the Huskies to that first win. Baker played on the first line with Ken Carnochan and Mark Schell. The Huskies took a 5 to 4 lead in the first period and were never behind from here on in until the end.

Curling Notes

Ice-maker Jack Hunter and his assistants have been very busy over the week end getting the ice at the Haliburton Curling Rink ready for this week. Quite a number of the local curlers were up over the week end to help matters along that much faster. The schedule was originally scheduled to start on Monday night of this week but the ice was not ready so these first few games will be picked up as the schedule progresses.

The Minden Curling Club have a good membership this year and will curl in the Minden Recreation Centre.

The rings are to go in the Haliburton Curling Rink this week end and the schedule will likely start very soon.

Appreciation

I desire to thank the rate-payers of Stanhope Township in returning me for another year to the chair of your Council.

The coming year will bring many problems. I am sure Council joins with me in asking your conservative criticism and interest in the affairs of the municipality over the coming year.

Ida joins me in thanks for your many kindnesses over the recent months and with a heartfelt wish—A Happy and Prosperous 1953.

CLAYTON P. ROGERS,
Reeve, Twp. Stanhope

Shots from the side lines
Alex Sinclair of the Cambray team was cut over the right eye with the puck at 5:30 of the second period and had to be taken out of the game for repairs.

Herb Baker of the Huskies was limping on Sunday due to a cracked toe which required two stitches.

The veteran defence star of the Huskies, Joe Iles, was again the great player on the Huskies blue line and came up with some great play and scored one goal and assisted in two of the others.

Seven penalties were handed out in the game—five to the Huskies and two going to the losing Cambray Club.

The line of Bud Dart, Harry Brohm and Buck Baker were reunited for this game and were in on three of the seven goals scored by the Huskies.

The game was late in starting as the Cambray Club were waiting for their regular goal keeper to arrive.

Jack Austin is shifting his lines around at different times in hopes of getting a winning combination and one that will lead the Huskies to their first hockey championship.

The old reliable Al Blanchard was back in the nets for the locals and was called on to make many saves in the game.

Minor Hockey Meeting

A meeting will be held in the Legion Hall on Thursday evening, Jan. 8th for the purpose of organizing Minor hockey in Haliburton County.

It is hoped that residents from Minden and Wilberforce and any other places where ice is available will attend this meeting.

Hockey can only survive in this County if the young boys are given a chance to get into the game when they are young. So let's build for the future and put minor hockey across in this area.

It is hoped to be able to form three groups—Peewee boys 10 years and under; Midget, boys 14 years and under; Juvenile, boys 18 years and under.

Minden Parry S'd In Tie Game

Minden — The Monarchs, Minden's entry in Intermediate "B" O.H.A., got off to a good start when, in the first league game of the season they played a 6-6 tie game with Parry Sound.

This augurs well for the future of the team this season as Minden had only nine players and had to drive a great distance on a very cold night to Parry Sound, and the Parry Sound team is actually an Intermediate "A" aggregation. Also, due to lack of ice, the Monarchs have had no chance for practice, and so we say "Well Done".

A MATTER OF HONOR

• It is heartbreaking enough when a girl double-crosses any man, who loves her. It is doubly cruel when that man is fighting in the service of his country and hers, and his spirits depends so largely upon her unswerving fidelity.

• If your daughter cannot exist on the assurance of his love and his letters; if she must have other men's attentions to keep her content, then, she should not have promised to marry him. She should break off the engagement, now, and openly. To have bypassed his telephoned question was a cowardly act. (What must it have done to him?). If a girl has no integrity, she is not worth marrying; certainly she is not fit to be the wife of any honorable man.

• I am concerned that she is accepting the soldier's allotment. I have made inquiries. If she is taking this money as his wife, she is facing a grave charge and dragging him with her for committing fraud.

• The boy she is dating is aiding in deceiving a soldier — surely about as low as one can sink. Unless he holds her casual idea of honor, he must realize she cannot be true to any man.

• "Throwing her out" is no solution. No matter how her conduct shames you, she is still your daughter and entitled to what protection her parents can provide.

• I sorrow with you. I hope that when she reads this comment, and see herself as others are seeing her, she will turn to the right before she encounters more trouble than she has ever known.

If you have deceived one who loves you, make it right immediately, before he loses his faith in people. Anne Hirst will help, if you write her at Box 1, 123 Eighteenth St., New Toronto, Ont.

A pompous shopwalker approached a customer and said, patronizingly: "Good morning, sir, and what is your desire?"

"My desire, sir," retorted the man, "it to kiss Rita Hayworth, but what I need is a bowler hat."

CHRONICLES OF GINGER FARM

by Geraldine D. Clarke

Electricity, like water, is something you appreciate to the full—when you haven't got it. At 5:45 one morning last week, with the wind howling like an angry monster, we were prowling around in the dark—feeling for the flashlight, hunting matches and candles, wondering if there was enough fire in the range to boil the kettle. How long was the power likely to be off . . . would the milking have to be done by hand . . . was there enough oil in the lantern to last until daylight?

The kitchen fire was still alight but, having being banked heavily because of the wind, it required considerable coaxing to get it going again. After about twenty minutes we did manage to boil enough water to make a cup of tea. Then Partner made tracks for the barn — with a milking machine as useless as a headless axe. But of course, you never can tell about hydro—it might be off several hours, or it might be only a matter of minutes, so one naturally hopes for the best.

One hour, two hours, three hours went by — and still no hydro. The cows were milked by hand—with the help of one of our visitors. Two heifers, that had never been milked any other way than by machine didn't like the change at all. When the milking was done, and lights and power no longer urgently needed, then of course the break was fixed and service restored. We don't know what caused the interruption but we were certainly thankful it was no worse. The way the wind was blowing anything could have happened.

And then the weather turned cold and Partner said—"I told you so!" That was because he had said we should have the storm-door windows put on. But I didn't want them on. It was such a job trying to keep the house cool in mild weather but having the doors open and letting the fresh air blow in through the screens helped considerably. So, when the air became a little too fresh what right had I complain? None at all—naturally—but I complained just the same. And that was when Partner said—"Well, I told you so!"

On the second day of our sudden winter one of our neighbours phoned—could they borrow our electric heater, their old space heater wouldn't work and they couldn't get hold of anyone to fix it — incidentally it was less than a year old. One repair man said he worked on oil furnaces but not on heaters! How independent can a repair man get? And how dependent can WE get with so much of our farm and household equipment run by electricity? Hydro power lightens work and increases our comfort but when it breaks down there are times when we wonder if the game is worth the candle—wouldn't we be better off without these so-called conveniences that are frequently the cause of considerable inconvenience? Brave thoughts—but when the hydro comes on again, then it is our will-power that breaks down. We flip on the lights with gladness, we cart the milk around as if it weighed only ten pounds, and we say to ourselves—"Do without hydro . . . what a crazy idea!"

Do you know what? I was thinking the other day how nice it would be if we humans had as much instinct as animals, then no one would get caught in storms and blizzards. Several times, during the last ten days, Partner has not liked the look of the weather and has tried to drive into the barnyard, two lit-

tle heifers that have lately had the run of the farm. But do you think they would go in? Not a bit of it. Then Partner would say impatiently—"All right, stay out if you want to—later on you may wish you hadn't." So the heifers stayed out and the next morning they would still be quite happy and roaming the fields.

But the other night—the evening before the windstorm — the heifers came up to the barn of their own accord and almost asked to be let in. They knew it was going to be a rough night.

Sure, cattle take heed of the weather but we who have "brains" to help us make decisions, we get into our cars and go places, no matter what the weather. So, in winter-time people get caught in blizzards; cars are abandoned on blocked roads; passengers get chills, frostbite and suffer other inconveniences just because they were set on going to a dance, a card party, or some other form of social entertainment. And it isn't always the young folk either. Apparently many of us are never too old to be foolish. You'll see . . . it has happened before, it will happen again. The thing is, will it happen to you?

Ah! Finished just in time . . . a car outside . . . our family arrives—Daughter Art and niece Betty. Now there will be a change in the atmosphere! 'Bye until next week.

A Book to Read and Really Treasure.

The Autograph of God By Archer Wallace. This new book is highly recommended. It consists of fifty-two inspirational talks planned to give people courage. Archer Wallace is Canada's best-known author of devotional books and books for boys.

"Archer Wallace walks with the kings of the mind yet keeps the common touch. His sentences are filled with seed thoughts which keep growing because their themes are vital. He is one of the rare spirits of our day and has greatly enriched my own soul."

—Dr. Ralph W. Sockman.

"This book contains some of the best devotional writing Archer Wallace has done. He shows himself deeply sensitive to the facts and experiences of the religious life. His standards of value are high and his judgments sound. His wide and profitable reading is revealed in numerous quotations and many an apt allusion."

—Jesse H. Arnup.

CURED HIM

The widow of Will Rogers notes in her memoirs that Will Junior, never could learn to tuck in his shirttails when he was a youngster of ten. "Pleading and punishment got me nowhere," she recalls, "but I finally hit upon a scheme that cured him overnight. I sewed an edging of lace around the bottom of his shirts."

Yummy! Chelsea Bun Loaf

A treat you can make easily with new fast DRY Yeast

Now you have Fleischmann's Fast Dry Yeast, forget about the oldtime hazards of yeast baking! Always at hand—always full-strength and fast rising! Keep a month's supply in your cupboard! Make this delicious Chelsea Bun Loaf—cut in slices for buttering, or separate the buns.

CHELSEA BUN LOAF

Make 3 pans of buns from this one recipe—dough will keep in refrigerator for a week.

Scald ¾ c. milk, ¼ c. granulated sugar, 1½ tps. salt and ¼ c. shortening; cool to lukewarm. Meanwhile, measure into a large bowl ½ c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 mins., THEN stir well. Add cooled milk mixture and stir in 1 well-beaten egg. Stir in 2 c. once-sifted bread flour; beat until smooth. Work in 2½ c. once-sifted bread flour. Knead on lightly-floured board until smooth and elastic. Cut off ½ of dough, knead into a smooth ball, place in greased bowl, grease top of dough, cover and store in refrigerator until wanted. Shape remaining ½ of dough into a smooth ball, place in greased bowl and grease top. Cover and set in warm place, free from draught. Let rise until doubled in bulk. Cream 3 tbs. butter or margarine and blend in ½ c. brown sugar (lightly pressed down), 1½ tps. ground cinnamon and 3 tbs. corn syrup; spread about ½ of this mixture in bottom of a greased loaf pan (4½" x 8½") and sprinkle with pecan halves. Punch down risen dough and roll out into an 8" square; loosen dough. Spread with remaining sugar mixture and sprinkle with ½ c. raisins. Loosely roll up like a jelly roll. Cut roll into 6 slices. Place in prepared pan. Grease tops. Cover and let rise until doubled in bulk. Bake in moderate oven, 350°, 25-30 mins. Let stand in pan for 5 mins. before turning out.

LOGY, LISTLESS, OUT OF LOVE WITH LIFE?

Then wake up your liver bile . . . jump out of bed rarin' to go! Life not worth living? It may be the liver! It's a fact! If your liver bile is not flowing freely your food may not digest . . . gas bloats up your stomach . . . you feel constipated and all the fun and sparkle go out of life. That's when you need mild, gentle Carters Little Liver Pills. You see Carters help stimulate your liver bile till once again it is pouring out at a rate of up to two pints a day into your digestive tract. This should fix you right up, make you feel that happy days are here again. So don't stay sunk, get Carters Little Liver Pills. Always have them on hand. Only 35¢ from any druggist.

CONDITIONS OF SALE

1. The property described above will be put up for sale in 4 parcels.
2. The Victoria and Grey Trust Company, the Administrators of the said Estate, shall not make any reserve bid at the sale, but Hazel Kellett, Irene McKelvey, George Kellett, Elmer Kellett, Stanley Kellett and Chester Kellett, the heirs-at-law of the above-mentioned deceased, shall be at liberty to bid.
3. The highest bidder shall be the purchaser and if any dispute shall arise as to the last or highest bidder the property in dispute shall be put up at a former bidding. No person shall advance less than \$20.00 at any bidding, and no bid shall be retracted.
4. The purchaser shall at the time of the sale pay down a deposit in the proportion of \$10.00 for every \$100.00 of the purchase money to the vendor or his solicitor, and sign an agreement to complete the purchase according to these conditions, and shall pay the remainder of the purchase money at the office of Hugh T. Nichol of Minden, Ontario, the vendor's solicitor, within 30 days.
5. All adjustments of insurance, taxes and other assessments to be apportioned to the date of completion of sale, when possession shall be given.
6. The purchaser shall be allowed 14 days to investigate the vendor's title at his own expense, during which time he shall make any objection to the title in writing to the vendor's solicitor. In default of making any such objections, the purchaser shall be deemed to have accepted the title.
7. If any objection shall be made which the vendor shall be unable or unwilling to remove, the vendor shall be at liberty to rescind the sale and, in such case, the purchaser shall receive back the amount paid in full satisfaction of all claims.
8. If the purchaser fails to comply with the conditions aforesaid or any of them, the deposit and all other payments made thereon shall be forfeited, and the property may be resold, and the deficiency, if any, on such resale, together with all charges attending the resale, shall be made good by the defaulter.
9. Time shall be the essence of these conditions.

HISTORY of the PROVISIONAL COUNTY of HALIBURTON

Compiled by R. H. BAKER

In 1926, when the schools opened, Inspector Pentland had made a still more drastic change in the teachers qualifications and decided that the time had come when the third class could be dispensed with. As a consequence every child in the County (except in two schools where the teachers had permanent thirds) was taught by a teacher with Normal School training. What a change from the old days of 1920, when 60 per cent of the teachers had not more than five weeks Model School training.

We have mentioned the fact that the Minden Continuation School opened its doors September 1st, 1920 with a very small attendance. This however quickly assumed much larger proportions, and in 1923, one candidate, Miss Vera Fierheller, completed the course for Junior Matriculation. This talented young lady being the first in the history of the County to attain this standing.

It was evident that this process, once started, would continue from year to year, and, wishing to give it every encouragement, a scholarship, known as the Haliburton Scholarship, was arranged with Queens University, Kingston, the conditions being that the pupil who attained the highest standing in the County, and who took the whole High School course, would receive fifty dollars cash, and in addition, remission of fees to the amount of twenty-five dollars each year for four years at the University, a total of one hundred and fifty dollars.

Till the summer of 1927, two candidates, Margaret Hanthorn and Lily Anderson, qualified, but, as pupils, were usually unable to proceed to college even if they did maintain the standing, a change was made. And now every pupil in the County who secures two-thirds of the possible marks in Junior Matriculation may enter Queens University receiving the \$150.00, and in addition may borrow up to \$1,000 no interest being charged, to assist in attending that great seat of learning.

Two candidates qualified in 1928, Will Anderson and Clara Watt, both students of great promise. Miss Watt, at the time of writing, is at Queens and will graduate as B.A. in 1932.

From the County three in all are at College, Miss Watt already mentioned, Mr. Walton Bake, both at Queens, and Miss Ria Finlay, who attends McMaster University at Hamilton.

In 1926 there were 1360 children on the roll, 677 boys and 683 girls. This was a loss of 64 during the year, showing that the population of the County was decreasing. Of those there were 351 in the Primer, 163 in the First Book, 267 in the Second, 259 in the Third, 255 in the Fourth and 65 in the Fifth. In this year, for the first time the roll for the Fourth Book was equal to that of the others, showing that the children intend remaining in school. The attendance in the Fifth Class had increased from one in 1921 to 65 in five years, and this, notwithstanding the large roll in the Continuation Schools. In this year people raised, for school purposes, by direct levy, \$11,923.00, while the legislature advanced its grants \$35,290.48, or about three times the levy. Of the 1360 children on the roll, there were attended an average for the year of 840.

MINDEN ROTARY

Meeting was held as usual Monday evening with all present. Highlight of the evening was a presentation to Chas. (Slim) Brandon, our pianist, and also leader of the Minden Band which has been assisted by the club, of a Parker pen and pencil set in appreciation of his work for the club and for his untiring work with the members of the band. His wife "accidentally" happened to arrive in time for the presentation and to receive a gift.

It was also decided to send baskets to a number of needy families at the Yuletide season.

Speaker of the evening was Lou Consky, the popular proprietor of the theatres in Haliburton and Minden whose talk took the form of the showing of movies that he took while on a recent trip to New York and Boston.

Miss Phyllis Windsor who has been a patient at Gravenhurst for the past year was home for a few days at Christmas and looking very well. We are looking forward to having Phyllis home for good in the next five weeks.

Monday night was the scene of much reveling and gaiety when the community gathered at the home of Mr. and Mrs. Arch McKay to officially welcome and meet Mrs. Garth Windsor and baby daughter Sandra. Games, dancing and singing were the order of the evening with a few of the non dancers playing cribbage. During the evening Garth was informed that his many friends had purchased an end table and hassock to be shipped to their home in Kow Kash. Garth who is employed by the Railway Company has been stationed in Northern Ontario for four years.
